Subject: Endorsement of the “Statement of Commitment on Eliminating Sexual Exploitation and Abuse by UN and Non-UN Personnel”

On behalf of **Education in Crisis (EiC)**, I am pleased to formally endorse the **Statement of Commitment on Eliminating Sexual Exploitation and Abuse by UN and Non-UN Personnel**. As an organization dedicated to protecting the dignity and rights of the communities we serve, EiC reaffirms its **zero-tolerance policy** for sexual exploitation and abuse (SEA) in all forms.

EiC is fully committed to upholding the highest standards of conduct, safeguarding, and accountability in our programs. We actively integrate **protection from sexual exploitation and abuse (PSEA)** measures across all our operations, ensuring that:

1. **Prevention and Awareness** – All EiC personnel receive mandatory PSEA training to recognize, prevent, and report SEA.
2. **Safe and Confidential Reporting Mechanisms** – We have established survivor-centered reporting channels that prioritize safety, transparency, and accountability.
3. **Survivor Assistance and Referral Pathways** – We ensure that survivors receive the necessary medical, psychosocial, legal, and livelihood support.
4. **Strong Internal Accountability** – EiC enforces strict policies to investigate SEA allegations and take disciplinary action where necessary.
5. **Collaboration with Global and Local Partners** – EiC actively contributes to in-country PSEA networks and works alongside humanitarian and development organizations to strengthen collective responses to SEA.

By endorsing this **Statement of Commitment**, we stand with the global community in ensuring that **no individual suffers from sexual exploitation and abuse**. We look forward to continued collaboration with our partners in advancing this shared mission.

Please find EiC’s signed endorsement attached. Should you require any additional information, feel free to contact us at PSEA@eduincrisis.org.

Sincerely,

George Omer Nalo
